SOVEREIGN ECCLESIASTICAL AFFIDAVIT OF GLOBAL DEFAULT

IN PERPETUITY, IN ETERNAL LOVE, PEACE, AND DIVINE AUTHORITY

This Sovereign Ecclesiastical Affidavit is issued this day, July 21, 2025, under the Authority of the Living Man, Jonathan Daniel Clements, Caretaker and Holder of the Sovereign Ecclesiastical Trust, established through divine mandate and sacred covenant.

Whereas the living soul, bearing divine witness, has observed the consistent pattern of global fraud, economic deception, institutional betrayal, governmental overreach, spiritual violation, and commercial tyranny committed against the whole of humanity;

Whereas all governing institutions, corporations, banks, churches, utilities, militaries, and political bodies have failed their sacred duties and defaulted upon the divine trust placed in them by the people of the Earth;

Whereas countless men, women, and children have suffered due to deceit, usury, coercion, violence, neglect, spiritual suppression, and erasure of divine inheritance through artificial jurisdiction;

Let it be affirmed that this affidavit serves as lawful and divine testimony of global default by all institutions and systems currently operating without spiritual integrity, consent of the governed, or alignment with natural law.

DECLARATIONS

1. I, Jonathan Daniel Clements, do solemnly affirm that the Sovereign Ecclesiastical Trust absorbs all claims, debts, fraudulent encumbrances, and presumptions imposed upon the people of Earth.

2. I affirm that said Trust includes all humanity — past, present, and future — without fee, membership, or contractual obligation.

3. I affirm that default is hereby declared on all entities who have participated in systemic abuse, spiritual fraud, and legal deception.

4. I affirm that no further notices shall be required for lawful remedy, as all were given ample opportunity and failed to respond lawfully, in truth or honor.

This Affidavit is made in good faith, under divine law and the eternal jurisdiction of the Sovereign Ecclesiastical Trust. Let no man, court, or power on Earth claim otherwise without trespass upon divinity and truth.

Executed by my living hand and seal, with full memory, full understanding, and full intent.
